A NON-PROFIT ORGANIZATION

YOUR DONATIONS MAKE THIS RINK POSSIBLE

Our rinks are operated by the Big Sky Skating and Hockey Association, a non-profit 501(c)(3) organization. Because the BSSHA depends heavily upon volunteer and private donations to operate, we need your support. Our rinks are open to the public, without charge; therefore, we ask for your support by placing a minimum donation of \$5.00.

Since its founding in 2010, the Big Sky Skating and Hockey Association has operated a seasonal ice arena each winter in the Town Center Park with programming that includes youth and adult ice hockey, broomball, open skating, figure skating, and curling. Our goal has been to provide inexpensive recreational options for Big Sky's full-time and part-time residents (especially their children), seasonal employees, and visitors to the Big Sky Community.

Learn more about us and how to support our mission by going to BSSHA.org

BSSHA is a Montana non-profit 501(c)(3) corporation. All donations are tax-deductible. Please visit BSSHA.org for information on how to donate
